DEFERRING TROLLEY CONSTRUCTION

Norwich, Colchester and Hartford Traction Co. Will Do No More Till Spring—Will Secure Extension of Charter—Directors and Officers Elected

The stockholders of the Norwich, Colchester and Hartford Traction company held their adjourned annual meeting here on Friday afternoon at 2 o'clock at their offices in the Central building, having present besides the president, a large number of representatives of the General Electric company, McArthur Brothers and Allen D. Peck company of New York.

The previously announced plan of proceeding at once with the construction of the road by beginning work at the East Hartford end was changed, and it was determined to defer further construction until spring. The late-coming of the winter was given as the reason for the change of plan, as it was thought the work could be pushed with greater satisfaction in the spring.

The engineers, however, are to continue at work with a survey of the line to get everything in readiness for rapid progress when they do begin.

The following board of directors was elected: A. O. Crosby, W. A. Strickland and E. A. Robinson, Gloucester, Mass.; Dr. C. E. Stark, C. C. Murphy and Frank Kromer, Norwich; H. P. Buell and Thomas Kliney, Colchester; Dr. C. E. Stark, C. C. Murphy and Frank Kromer, Norwich; H. P. Buell and Thomas Kliney, Colchester; Dr. C. E. Stark, C. C. Murphy and Frank Kromer, Norwich; H. P. Buell and Thomas Kliney, Colchester.

Mr. Crosby was subsequently elected president, Mr. Kromer secretary and Mr. Robinson treasurer.

It will be necessary to procure an extension of the company's charter from the legislature at the coming session. For this purpose a special committee was appointed, consisting of Messrs. Crosby, Strickland, Robinson, Guerd, Buell and Kromer.
